Verse 1:           Bm           A           G    A  
I remember my affliction and my wandering  
          G           A    Bm       G    A  
The bitterness and the gall  
Bm   A    G        A  
Oh, I will remember them  
          G           A    Bm           G    A  
And burdened is my soul

Chorus:           Bm   A    G   A       Bm    A    G   A  
Yet this I call to mind, and therefore I have hope  
          D           A           G                    Bm   G   A  
Because of the Lord's great love, we are not consumed  
                  D           A    G                    F#m        Bm  
Your compassions never fail – they are new every morning  
          Bm   A        G    A  
And I will wait for you  
          Bm   A        G    A    Bm  
And I will wait for you

Verse 2:        Let us examine our ways  
                  And let us return to the Lord  
                  Let us lift up our hearts and our hands to God in heaven  
                  And say we have sinned and rebelled

Chorus:        *Repeat chorus*
