CAPO IV

```
                D              G              D              G              D
Lead:           May you have power with the saints
Echo:                                                  May you have power with the saints
                D              G              D              G              D
Lead:           To grasp how wide and how long and how high and how deep
Echo:                                                                         To grasp
                     G              D              G              D
                how wide and how long and how high and how deep
                     G         A
All:            Is the love of Christ

Lead:           And may the power of his love
Echo:           And may the power of his love
Lead:           Fill you to the measure of all of the fullness of God
Echo:           Fill you to the measure of all of the fullness of God
All:            Glory to God forever. Amen.
