Introduction G D G D  
Lord, high and holy; Lord, meek and lowly  
C G D  
You have brought me to the valley of vision

Verse 1: C D G  
Let me learn that the lowly are lifted up  
Em D G  
That the broken heart is the healed heart  
Em D G  
That to have nothing is to possess everything  
G D C  
That to bear the cross is to wear a crown

Chorus: G D G D  
Lord, high and holy; Lord, meek and lowly  
C G D  
You have brought me to the valley of vision  
C D G  
Where I live in the depths but see thy height  
Em D C  
Hemmed in by the mountains of my sin  
C G C G  
I behold your glory; I behold your glory

Verse 2: Let me find your light in my darkness; Your life in my death  
And find your riches in my poverty; Your grace in my sin

Bridge: C D C G D C G  
Oh Lord in the daytime, stars can be seen from the deepest well  
Em D C D  
And the deeper the well, the brighter shine thy stars

Chorus *Repeat chorus*
